**LifeCampUSA: Trevor Fabian, a former STO: LA**

- We have a unique opportunity with a fellow STO and we would like to gauge community interest in the nonprofit and its mission. LifeCampUSA is a 12-month long focused Christian program that aims to address the overwhelming need for Biblical male mentorship in the lives of young men who have lost their fathers to Military or Law Enforcement service, to show them what type of man the Bible calls them to be, rather than current culture. LifeCampUSA is looking for Christian CCT Mentors to guide the campers in a week-long outdoor retreat all of which are at different US locations. For more info on LifeCampUSA please read this informational flyer and check out its recent Mission Impact Video.

- There are mentor spots available for this summer for current, separated, and retired CCTs. You must be Christian to be mentor. Please review the Mentor Requirements before applying.
- See additional trip details below.
- Program Details:

Who: Current, separated, and retired CCTs from the CCA Combat Control Community.

Please review the Mentor Requirements before applying.

What: LifeCampUSA One Week Adventure Camp

When: June/July 2024.

Where: Wyoming, Colorado, Wisconsin, South Dakota, Minnesota, and Washington

Why: Build Community

We are excited to extend our gratitude to LifeCampUSA for enabling CCA Combat Controllers to contribute and support their mission. Please note that the requirements for this opportunity are specific to LifeCampUSA and differ from CCA's general guidelines for acceptance to retreats and experiences. If you have any questions about this opportunity, do not hesitate to email us at [cca@combatcontrol.team](mailto:cca@combatcontrol.team).
