New Business:

CCA Elections – LA

- Congratulations to Kyle Stanbro and Geoffrey Hitchcock for being elected to the board for the 2023 year.
- NT stated that the elections went well and over 150 members voted during the election.

21st Resiliency Event – NT

- NT represented both the CCA/CCF during the 21st resiliency event. He stated that the event went off without a hitch and that many active duty Combat Controllers and their families had a wonderful time.
- The children were provided with daycare so the husbands and wives could spend time with the chaplain and NT during presentations that helped bring together the families after post-deployment. The controllers and wives said this was an extremely helpful weekend. It provided families with insight as to how to recognize “triggers” within themselves.

Interview for CCF Executive Director – LA

- LA stated that the CCF ED interview with Andrea Dillenger went well and a second interview was held as well. Both interviews went extremely well, and the interview panel comprised of; LA, KS, NT, and Chris Crouch, all said they were very satisfied with “Dre’s” responses to the questions and that she will be a “GREAT” asset to the CCF!
- Andrea will begin the position of Executive Director for the CCF beginning January 1, 2023. We are all excited to have her on board.

Vegas Reunion – LA

- KS continues to make headway by getting a fix on pricing regarding KIA bracelets and 70th Anniversary patches for the Las Vegas reunion.
- No additional help is needed at this point in time.

Atlantic City Reunion – LA

- Mike Moreno is going to begin working on dates for next year's Atlantic City reunion. Mike M. believes he does NOT need to form a committee as he believes he can run it himself and ask for volunteers. He is also working on getting better pricing for the hotel as it was a bit costly.

CCA Store - MW

- LA might have Jake Sevy interested in running the store. He will be speaking with him next month as Jake is TDY and find out his response.

CCT Graduation – LA

- NT will be attending the CCT graduation ceremony. He will be passing out 28 CCA Lifetime membership packets to the graduates. This will be the largest CCT graduating class in the history of CCT.
- Sean Rice of STS.inc has already paid \$150 for each of the 28 lifetime memberships.

Future Business:

- Annual CCA meeting for primary positions will take place at Lackland AFB, San Antonio, Texas, January 23rd – 27th.
- AFSPECWAR Coalition will be meeting during the time above as well as the CCF Board Meeting with the new ED, Andrea Dillenger.
- Continue to work on the CCA website to make it more presentable and easier to navigate.
